

Press Release Trinity Fair – 10th June 2018

Following the revival of the Trinity Fair last year, the second event that was held last Sunday, was another great success. The crowds enjoyed live entertainment, craft, gift and food stalls, fun fair rides, Fancy Dress Parade, Colouring competition, art workshops, classic cars and much more. The whole of Rayleigh's community came together to show the town at its best, with its various attractions including the 200 year old Windmill, the Dutch Cottage, the Town Museum, Holy Trinity Church, the Mount and Windmill Garden, all being open for visitors to enjoy. Rayleigh Town Council Vice-Chairman Cllr Mrs June Lumley said 'This has been a marvellous day and it was so good to see everyone having a lovely time. It was a great family day out with something for all age groups to enjoy and I would like to thank our Councillors and staff, Haddon Events, the numerous volunteers and our sponsors who all helped with the success of the day'.
